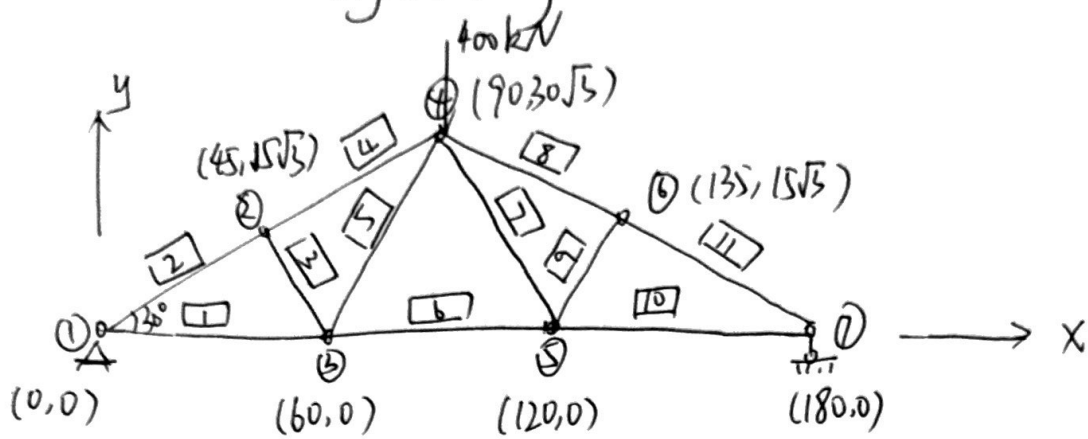
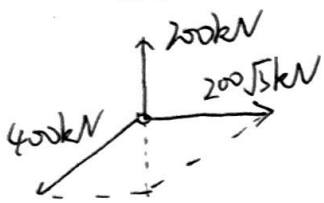
A5 written Siyuan Wang



For node 1



element 1 : $+200\sqrt{3}$ kN

element 2 : -400 kN

For node 2.

element 4 : -400kN element 3: 0

For node 3

element 5 : 0 element 6 : $+200\sqrt{3}$ kN

Because the structure is symmetric.

element 7: 0 element 8: -400kN element 9: 0 element 10: $+200\sqrt{3}$kN

element 11: -400kN

For node 7
